# Sebastián Caggiano

FULL-STACK DEVELOPER

## PROFESSIONAL PROFILE

I've more than 13 years of experience working as a developer. Programming and approaching technical challenges, are the things that I love to do the most.

Mentoring and helping my teammates from a technical perspective, is something that I always pursue as a team member.

My main goal is always trying to keep up-to-date working with great technologies, and new ways to do things.

## WORK EXPERIENCE
